

TECHNICAL SPECIFICATION

Product Features

Focused 24° Beam Angle

24-degree narrow beam provides precise, controlled lighting, ideal for accent lighting, feature walls, displays, and modern interiors.

High Brightness 500lm | Low Power 5W

Delivers up to 500 lumens of bright illumination while consuming only 5W, ensuring high efficiency and energy savings.

Premium Aluminum Construction

Made from high-quality aluminum for excellent heat dissipation, enhancing performance stability and durability.

Long Lifespan – Up to 30,000 Hours

Engineered for long-term use with a rated lifespan of up to 30,000 hours, reducing maintenance and replacement costs.

Easy Installation | 55mm Cut-out

Compact recessed design with a standard 55mm cut-out, allowing quick installation and broad ceiling compatibility.

55 mm CUT-OUT SPOTLIGHT

ESH-DL-0006

1 Product ID: ESH-DL-0006

Model: MR-MC55

Watt:5W

Beam Angle:24°

Colour Temp: 6500K/4000K/3000K

CRI:≥80

Material:Alumunian

IP Grade: IP20

Life Span: 30000h

Voltage:AC85~265V 50/60Hz

Luminous Flux:500Lm

Size:φ68*45mm

Cut Hole Size:φ55mm

Housing Colour:Black/White

Highlight LED, Big tiles,
lamp beads
